

CargoIns Privacy Policy

Last Updated: 29/8/84

This Privacy Policy explains how we collect, use, and protect the personal data of users who visit the **CargoIns** website (<https://www.cargoins.tech/>). The processing of personal data is carried out in compliance with the General Data Protection Regulation (GDPR - Regulation (EU) 2016/679).

1. Data Controller

The Data Controller responsible for processing personal data is **Damyan Zhelev**. For any questions or requests regarding this Privacy Policy or the processing of personal data, you can contact the Data Controller at dzhelev@cargoins.tech

2. Personal Data Collected

The CargoIns website does not use tracking systems or pixels to collect personal data from users during their visit. The only personal data that may be collected is voluntarily provided by users through the contact form on the website.

Contact Form

The contact form on our website is used exclusively to respond to commercial inquiries from users who have explicitly requested contact. The contact form is created through the **Formspree.io** service.

Data collected via the contact form:

- Name and surname
- Email address
- Company name

3. Purpose of Data Processing

The personal data provided by users through the contact form is used solely to respond to contact requests and any commercial communications requested by the user. The data will not be used for any other purpose without the explicit consent of the user.

4. Legal Basis for Data Processing

The legal basis for processing personal data is the user's consent, which is given when the contact form is submitted.

5. Data Retention

The personal data collected will be retained for the time necessary to fulfill the user's request and will be deleted thereafter, unless otherwise required by law.

6. Sharing Data with Third Parties

Personal data provided through the contact form will not be shared with third parties, except where necessary to fulfill the user's request or as required by law.

7. User Rights

Users have the right to access their personal data, request its correction or deletion, object to its processing, or request the limitation of processing. Additionally, users have the right to data portability.

To exercise these rights, you can contact the Data Controller at the email address provided above.

8. Data Security

CargoIns implements appropriate security measures to protect users' personal data from unauthorized access, alteration, disclosure, or destruction.

9. Changes to the Privacy Policy

CargoIns reserves the right to modify this Privacy Policy at any time. Changes will be posted on this page and, where necessary, communicated via email to users who have provided their contact information.

10. Contact Information

For further information about our Privacy Policy or the processing of personal data, you can contact the Data Controller:
